

Aseania Beach Resort, Besar Island 2022

With white powdery sand and turquoise-blue waters **Aseania Resort Pulau Besar**, Mersing, Johor assures a great vacation for all guests. The island too is very rich in **flora and fauna with forests** which are millions of years old. Guests can also enjoy kilometres of contiguous beach lines with romantic swaying palms. Fun seekers can enjoy Island Hopping, snorkelling, jungle trekking and all other sea and beach sports. Or you can just relax in comfortable lounges at the beach or by the swimming pool while sampling our signature cocktails.

Our **46 well-furnished chalet**, meanwhile will ensure that your stay here will be as comfortable as possible. The chalets include air-conditioning, hot/cold shower, mini bar and other comforts. The comfortable verandas offer you a vantage area where you can sit-back and enjoy the scenery – the beach and the sea or the gardens and mountains.

To preserve this unspoilt beauty the government has made the Island a gazette Marine Park. This protects the very rich species of marine life and their underground wonders within 2 nautical miles of the island
